Children's Ministry Needs

Last Sunday morning we had over 9 children in the preschool room during the worship time. This is a huge blessing and we want to make sure we are prepared to share God's love with each one of them. Please pray about how you can assist us in this important ministry. First responders in children's ministry are the ones who are blessed with the initial opportunity to share the good news with these children. Sign up today to become a first responder. You can serve once a month or every week as God leads you. See Tammy Gindrup today or email her at tammy@gindrup.net.

Church Family Prayer Time

Next Sunday at 5 pm we will gather as a church family to seek God's direction together. We want to encourage every member to be here. We will share what God has already done and what we are trusting Him for in the days ahead. This information will be an important part of knowing how to pray for our church family. Please begin asking the Holy Spirit to reveal the Father's will to our church family.
